

Dear chess friend,

A very warm welcome to the 52nd edition of the Rilton Cup!

If, regrettably, you are unable to attend, kindly inform us at your earliest convenience so that we may adjust our participant list accordingly.

The Rilton Cup and Rilton U2200 tournaments commence the day after tomorrow at 14:00. Every player **MUST** check in to get paired for the first round. You can complete this process either online [here](#) or on the third floor of the Scandic Continental Hotel (Vasagatan 22) between 09:00 and 11:00 on December 27. Players failing to check in by 11:00 will not be paired for the first round. If you have not paid your starting fee yet, you can either do it now via PayPal, or during the check-in at the hotel either by card or in cash (only in SEK).

Please carefully review the [regulations](#) and our [Fair Play Instructions for Players](#).

The cloakroom will be located on the second floor. Arrive in good time before the round starts, as each player will undergo electronic device checks, which may take some time.
